EXPERIENCE

RORIRI SOFTWARE SOLUTIONS PRIVATE LIMITED

Tirunelveli, India

UI/UX Designer

Oct 2025 - Nov 2025

- Designed intuitive and user-friendly **mobile application interfaces** focusing on usability and modern design principles.
- Collaborated with a team of 3 members to plan, design, and improve overall user experience.
- Created **wireframes, mockups, and interactive prototypes** using Figma and Adobe XD.
- Designed visually engaging **UI screens and components** ensuring consistency across the application
- Used Canva to create **supporting design assets** such as presentations and visual elements.
- Worked closely with developers to ensure accurate implementation of UI designs.
- Applied **responsive design principles** and improved user flow for better user engagement.

SOFT SOURCE TECHNOLOGIES PRIVATE LIMITED

Chennai, India

UI/UX Designer & UI Developer

Oct 2022 - Apr 2024

- Created wireframes, user flows, prototypes, and high-fidelity UI designs using **Figma**.
- Designed responsive tablet interfaces with a focus on **User Experience (UX)** and **User Interface (UI)** principles.
- Developed interactive learning screens and educational modules using **HTML, CSS, and Adobe Animate CC**.
- Designed mathematical diagrams, illustrations, and visual assets to improve content engagement.
- Built and maintained reusable **Design Systems**, UI components, and style guidelines.
- Collaborated with developers, subject matter experts, and stakeholders for effective implementation.
- Enhanced usability, accessibility, and user engagement through **User-Centered Design** practices.

PROJECTS

E-Commerce Mobile Application

- Designed the **end-to-end UI/UX** for a **mobile application**, covering the complete user journey from **authentication** to **payment** and **receipt generation**.
- Created intuitive **Login, Signup, and Password Recovery** flows for seamless user access.
- Developed **User Flows, Wireframes, and Interactive Prototypes** to ensure smooth navigation and usability.
- Designed **High-Fidelity UI Screens** and consistent **Visual Components** using **Figma** and **Canva**.
- Built user-friendly **Checkout** and **Billing Interfaces** with clear pricing and transaction details.
- Designed **Receipt** and **Invoice Screens** with **PDF Download Functionality** for easy record management.

Multi-Platform UX/UI Design System Project

- Designed **Mobile Applications, Responsive Websites, and Dashboards** with a focus on usability and modern UI principles.
- Created **User Flows, Wireframes, and High-Fidelity Prototypes** using **Figma**.
- Developed consistent **UI Components, Layouts, and Design Systems** across platforms.
- Designed intuitive **Dashboard Interfaces** for effective data visualization and user interaction.
- Built **Responsive** and **Accessible Web Designs** compatible across multiple devices.
- Improved User Experience, Navigation, and Visual Hierarchy, ensuring smooth developer handoff.**

E-Learning Products

- Developed end-to-end **Mathematics e-learning module** using HTML and CSS for 10th & 12th grade students.
- Designed UI layouts, diagrams, and subject-specific visuals to simplify complex concepts.
- Created engaging **animations and interactive elements** using Adobe Animate CC 2020.
- Ensured **user-friendly and responsive design** for better learning experience.
- Took full ownership of the module, handling both **design and development independently**.
